Each year we help businesses in London, Middlesex and Surrey to take some of the hassle out of Christmas by supplying and decorating their Christmas trees. Leaving our clients free to cope with more important matters - the mince pies for instance.

Why not allow us to do all the hard work involved in having a Christmas tree and make the most of our decorated tree service where you will enjoy a number of benefits:

- We do the all the manual work
- You receive a tree which is guaranteed to be of the highest quality
- We provide a great service at an unbeatable value – if you find a better quote we will beat it.

All you have to do is choose what size tree you desire, the colour scheme, a delivery and a collection date.

What do we do? We send our experienced tree artists to deliver, install and decorate your tree on the day you chose in the timeslot you selected. After Christmas the tree artists return to take down your decorations and carefully package them for you to keep, ready for next year's use.

Our decorated service is the ultimate all inclusive Christmas tree package, with the tree, lights, decorations and service all included within the price.
